The beauty of a woman is not in her clothes or her hair, but in the way she carries herself. The beauty of a woman is not in her face, but in the way she smiles. The beauty of a woman is not in her eyes, but in the way she looks at the world. The beauty of a woman is not in her body, but in the way she carries it. The beauty of a woman is not in her voice, but in the way she speaks. The beauty of a woman is not in her hands, but in the way she holds them. The beauty of a woman is not in her feet, but in the way she walks. The beauty of a woman is not in her hair, but in the way she styles it. The beauty of a woman is not in her clothes, but in the way she wears them. The beauty of a woman is not in her face, but in the way she looks at the world. The beauty of a woman is not in her eyes, but in the way she looks at the world. The beauty of a woman is not in her body, but in the way she carries it. CREATIVE CULTURE

Rangjyot

The hardest thing in fashion is not to be known for it, but to be
known for silhouette. Fashion is what you
about when you don't know who you are.
ENCHANTING FASHION

DESIGN-8003

There is no such beauty as in change,
something which nature
never covered deep in winter.
Real beauty is to be true to oneself!
That's what makes one feel great.
