One look at you, and the world is blinded. By love, by charm, by desire, by a hope against hope to call you their own. And as they yearn for you they discover that the glow they see around you, comes from within you and is magnified tenfold by the dress you wear. You are the Goddess of brightness, the one who dispels despair from this plane.

THE
WORLDCHA

*Her pragmatic life has been equipped to endure the fiercest pace of
courtless fashion, meandering around the world. Every corner
craves many moments until, yes, across the world, her dream life
unfolds, but so too, her style... crafted by perfection.*
