# Dazzling Pattern

*In love fashion & there is no other way to express yourself than through the clothes you wear  
The difference between style & fashion is quality.*

## Glamour Stunning

*fashion is not something that exist to dress only, fashion is in the sky,  
in the street, fashion has to do with ideas the way we live, what is happening.*

# The Unforgettable Memories

*When you love fashion, there is no wardrobe. Everything just flows together. Fashion is about how you place the object on the person. I base most of my fashion taste on what doesn't seem.*
