

IVORY

IVORY

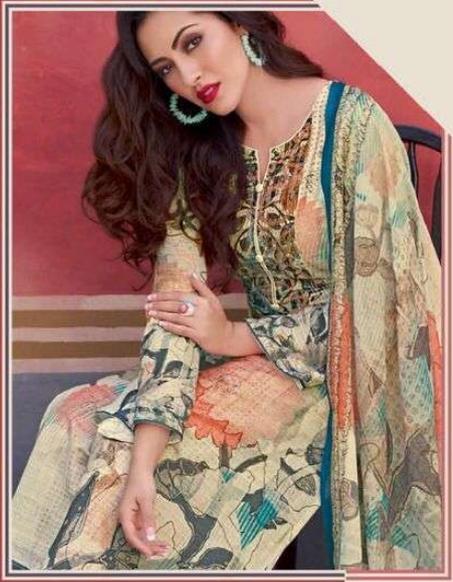

Be the followed and not the follower.

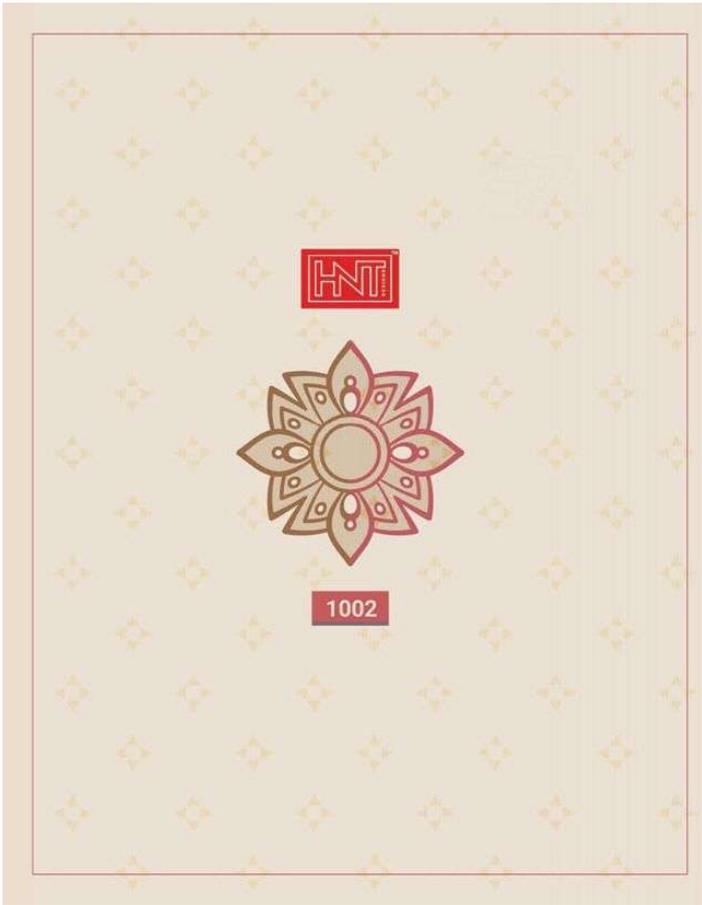

Feel like a Diva and gain the attention.

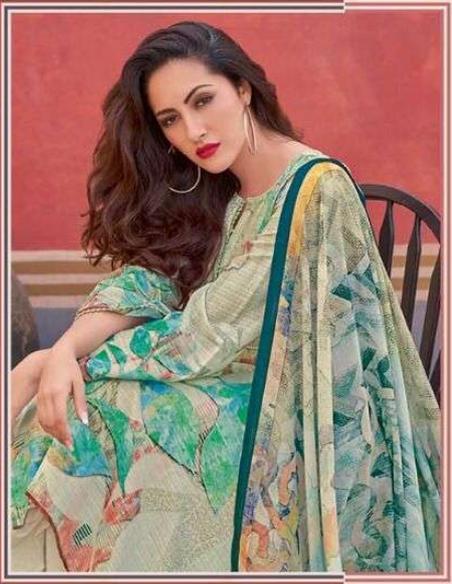

1004

Follow the class and style and glamour will follow you.

1001

Follow the class and style and glamour will follow you!

1003

1005

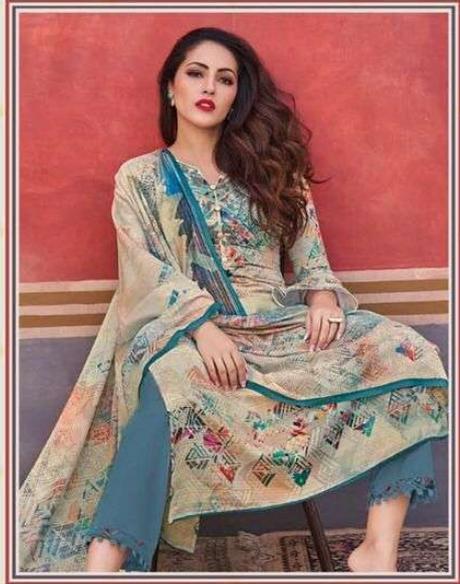

Glitz, Glamour and
Paparazzi are the side
effects of being stylish.

Get treated as a celebrity every time you are out.

1002

Follow the class and style and glamour will follow you.

1005

Your rendezvous with style, fashion and glamour.

1006

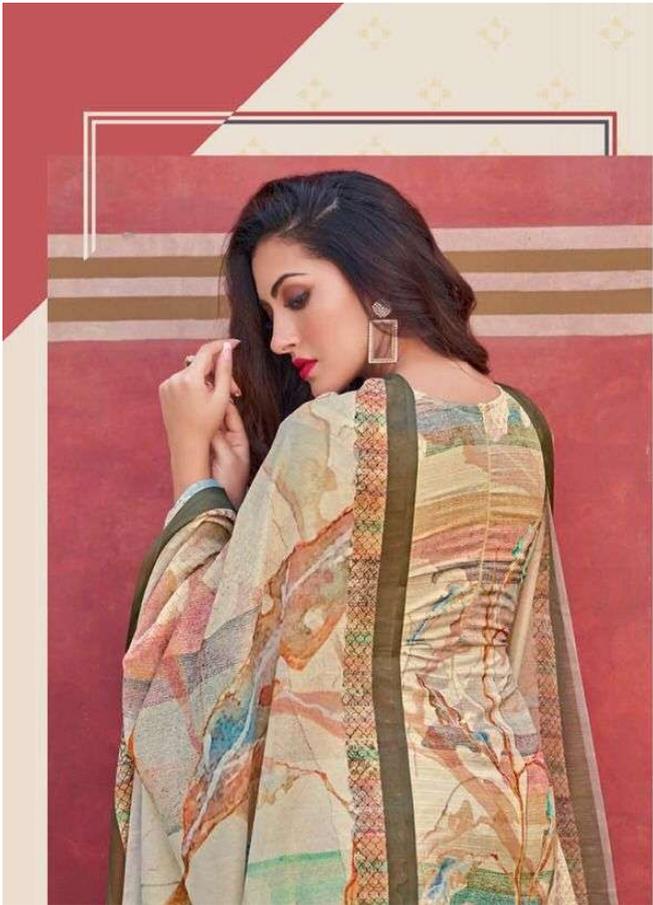

HN

Be the followed and not the follower.

The graphic design is set against a cream-colored background with a repeating pattern of small gold diamonds. In the center, there is a red square logo containing the letters 'HN' in a stylized font. Below this logo is a stylized red fish logo. At the bottom, a red banner contains the text 'Be the followed and not the follower.' in white.
