The SHOOTING STAR

"Style is a way to say Who you are without having to speak"
Beautiful... it's not about looks, because as the years go to by I will
continue to change... and age it's about what's inside... the fact that
I'm caring first, I always have. I love to listen to people. I love help
people. I'm genuine, real and I am a great friend true beauty is from
within.
