LEGACY

Everything you need to know about Linn's fashion world!

If fashion is a language, it is a language of imagination, created by a handful of people who, in their struggle to understand the world, have discovered an unique way to describe it. It is a language that is not just a collection of clothes, but a way of life. It is a language that is not just a collection of clothes, but a way of life. It is a language that is not just a collection of clothes, but a way of life.
