SABANA

Real beauty lies not in the physical appearance, but in the heart. Real beauty lies not in what you see, but in what you feel. Real beauty is not just a face, but a soul. Real beauty is not just a body, but a heart. Real beauty is not just a person, but a person who is truly beautiful.

CALMING SIMPLICITY

DNO.3004

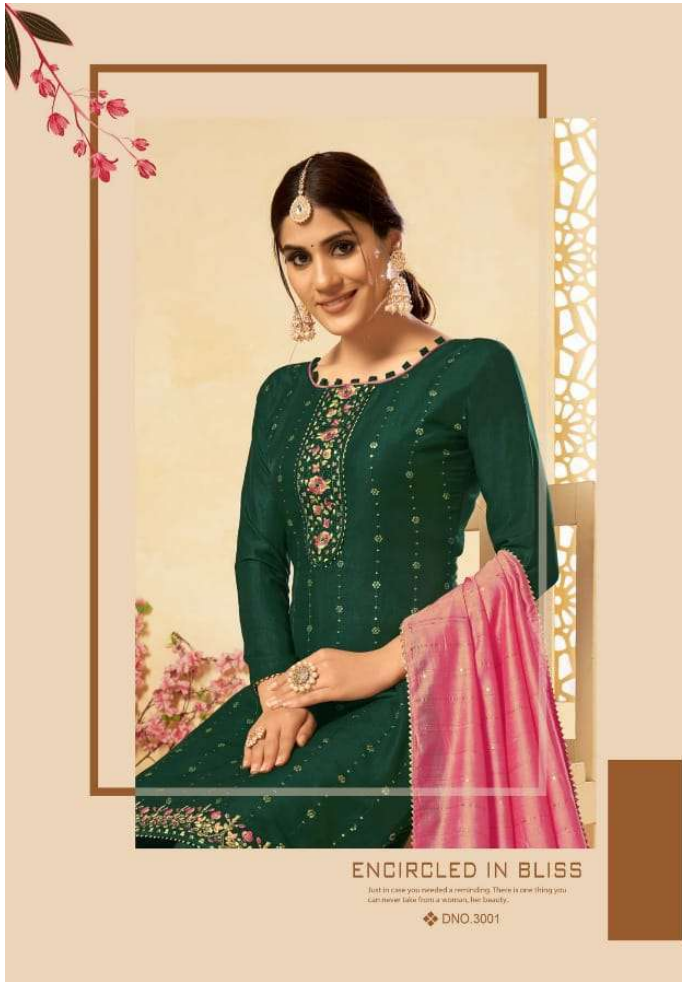

STYLISH PRINCESS

While most men across the world want to be with you, the most women are meant to be like you for ever and ever.
For in your garments is the glory of identity, in your soul and in your magical attire the world does salvation.

The real beauty of a person comes from smiling and the value you believe in and
the way you live it is your own. They are the things that make a difference!
