फिरदावुड

"As a woman gets older, it's more about style than fashion. A woman knowing herself more and more, and looking for new things, is getting into her own personal style, being more than just a fashion addict. I'm interested in that."

Fashion is part of the daily air, and it changes all the time, with all the events. You can even see the approaching of a revolution in clothes. You can see and feel everything in clothes.

*DRESS TO  
IMPRESS EXPRESS*

"Being well-dressed hasn't much to do with having good clothes. It's a question of good balance and good common sense."
