A picture of you brings comfort. A
night of you brings relief. A
memory of you brings bliss. Your
sart and you are worthy
companions, united in alleviating
the pain and the sorrow of the
world from the sorrow and the
misery which possesses it. From
your sorrow, grace, love is born and
from your gift, it spreads across the
world. There is talk. There are
adapters. There are debates. And
they're all about you. Sitting
together they wonder about the
mystique and the charisma which
surrounds you, as you start
mysteriously in your breathtaking
sart. What could be the secret that
you possess, which the remaining
world is not privy to? Well, let's tell
them it's our little secret, shall we?

You connect the world to what it believes has been lost forever. Joy, smiles, laughter and most importantly style. You are the last bastion of beauty in a world inundated by temporary fads. Amidst all the 'flavors of the season', you reign supreme with your timeless grace. Your sari lives up to your beliefs. As you breathe, you transform the atmosphere of the world that surrounds you. And all that is withered, all that is lifeless, all that is pale disappears in an instant. In your wake, life rears its head again and spreads its arms. Little wonder then, that your sari reflects vitality, vigor and vivaciousness...the three main components of life. Women from all over the world seek in vain. They look for the craftsman who's created the spellbinding dress that now adorns you, and wish in turn for them to create the same for them. Little do they know that the sari you now wear handpicked you as the recipient of this eternal gift. The spell of class, and you are inseparable.
