

THE ENVRASR-DHMS
one of the 1 unites truth
and reveals reality.
it does not bring new wonders into
the scope of vision but enables one to see
what is already there. Where this unusual light
intersects the earth,
it is known as Kashi.

THE BEVARAS RHYMS

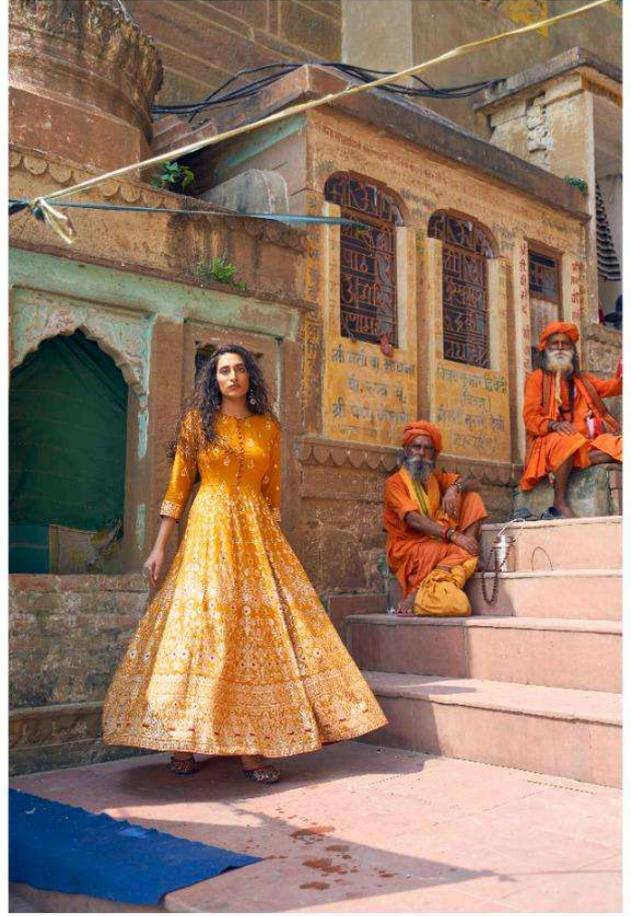

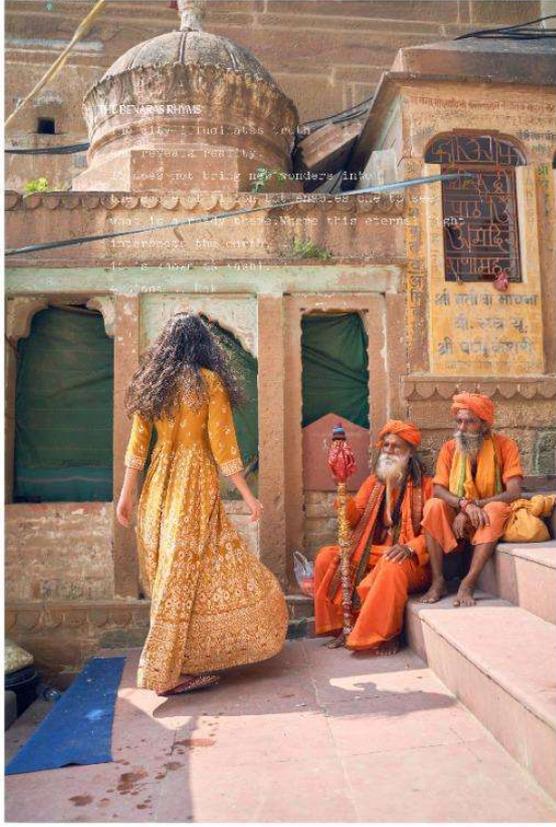

The city illuminates truth
and reveals reality.
It does not bring new wonders into
the scope of vision but enables one to see
what is already there. Where this eternal light
intersects the earth,
It is ADAM AS KASHI.

THE BENARAS RHIMS

The city illuminates vision
and reveals possibility.
It does not bring new worlds into
the scope of vision but enables one to see
what is already there. Where this ethereal light
intersects the earth,
it is known as local.

THE BENARAS RHYMS

The city illuminates truth
and reveals reality.
It does not bring new wonders into
the scope of vision but enables one to see
what is already there. And in this stupendous light
it releases the artist.
