# Blushing & BEAUTY

*"When you're really about to do something, you don't think you can do it. You think, 'you can't do that' more about them. It's not that it's hard to do, you just don't know what you're capable of."*

# Traditional TEXTURES

*I have always believed that fabrics were not only  
to make women more beautiful, but also to make them  
feel more confident.*
