The beauty of a woman is not in a facial mode but the true beauty in a woman is reflected in her soul

Kava®  
A VENTURE OF KALASH INDIA

You look... amazing!  
And I have to say, I agree. I'm wearing a black - but expensive black. The kind of deep, soft black that you fall into. A simple sleeveless dress from Whistles, the high-heeled Jimmy Choos, a pair of stunning uncut amethyst earrings. And please don't ask how much it all cost, because that's irrelevant. This is investment shopping. The biggest investment of my life. I haven't eaten anything all day so I'm nice and thin and for once my hair has fallen perfectly into shape. I look... well, I've never looked better in my life. But of course, looks are only part of the package, aren't they?

Why do women want to dress like men when they're fortunate enough to be women? Why lose femininity, which is one of our greatest charms? We get more accomplished by being charming than we would be flouting around in pants and smoking.

The elegance is as physical, as moral quality that has nothing common with the clothing. You can see a countrywoman more elegant than one so called elegant woman.
