Traditionally

Tradition is the bridge between the past and the present, and it is the foundation of our culture. It is the wisdom of our ancestors that we inherit, and it is the responsibility of us to preserve it. Tradition is not just a collection of customs and rituals, but a way of life. It is the values and beliefs that shape our identity and give us a sense of belonging. Tradition is the thread that connects us to our roots and to each other. It is the heart of our culture and the soul of our nation. Let us cherish our traditions and pass them on to future generations.
