beauty queen

In the 21st century the style trends of the fashion industry dominate the world more than they ever did and control the light the way people dress the way they live the way they think the way they design the way they fashion and much more overall activities. In the 60s, 70s and 80s the only mean frames and numbers it was used to be the main attribute of a generation and this is even more prominent today.

NAARI

beauty queen

In the 21st century the style trends of the fashion industry throughout the world have changed. They have shifted from traditional to modern, from conservative to liberal, from simple to complex, from classic to avant-garde. In the 21st century, the fashion industry has become a global phenomenon, transcending national boundaries and cultural differences. It has become a powerful force that not only shapes the way we look, but also the way we think and live. It has become a reflection of the values and attitudes of a generation, and this is the true beauty of the fashion industry.
