NAZRANA

"Don't be into trends. Don't make fashion own you. You just decide what you are, what you want to express through what you dress and the way to live."

"What you wear is how you present yourself to the world, especially today, when human contacts are so quick. Fashion is instant language."

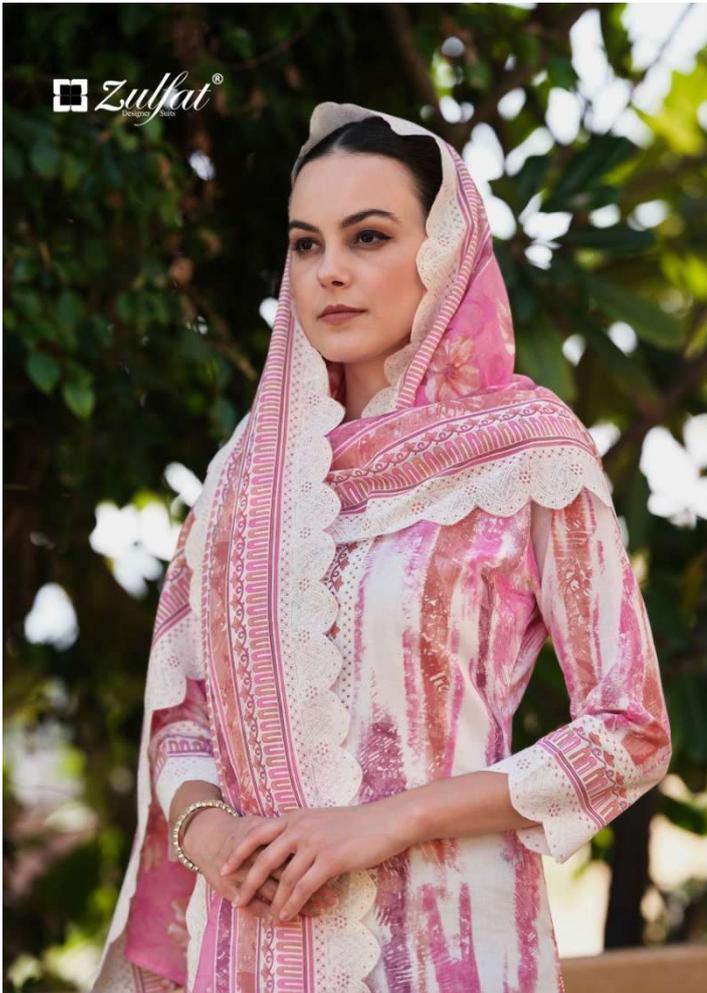

What you wear is how you present yourself to the world, especially today, when human contacts are so quick. Fashion is silent language.
