more than colour

2006

I have always
 believed that
 men were not
 so much
 beautiful, but
 in the end
 they were
 just men.
 I have always
 believed that
 men were not
 so much
 beautiful, but
 in the end
 they were
 just men.

everyday fashion

I have always believed that fashion was not easy to make someone more beautiful, but also in measure it can give them confidence. Fashion has to reflect who you are, not what you like.

I have always
preferred that
before what we
try to make a
woman more than
that. But what we
want to show, give
them
guidance
I prefer to
talk with you and
what you feel

2008

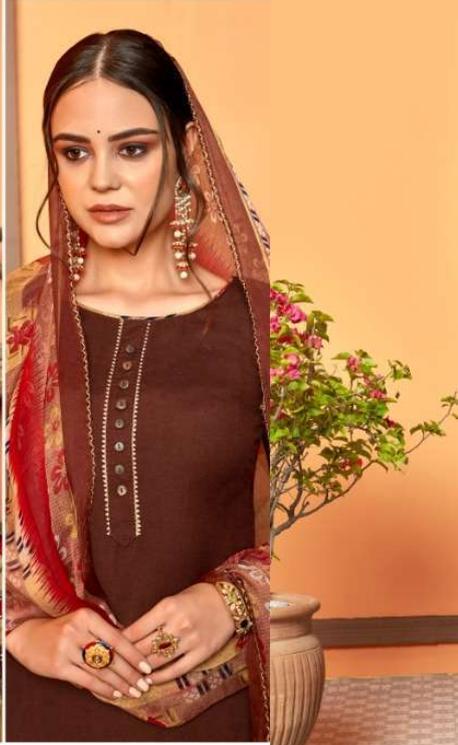

It has always
been that
factors you will
try to make
with your brain
but you will
never know, you
will
know
Pakistan has to
reflect who you are,
what you love
