Dazzling patterns

Some say they are not patterns. They're messages from a time when the world was younger and more beautiful. They've been carried into the exquisite garments of these classy models, for only they can bring about this age again with their grace and style.

1279-B

Dazzling patterns

Some say they are old patterns. They're
messages from a time when the world was
younger and more beautiful. They've been
woven into the exquisite garments of these
daring models, for only they can bring about
this age again with their grace and style.
