THE
Sculptor
OF Panache

As so they sang the strains of his beauty in the words of an ancient race. It paints a picture
Of her wit, her splendor her wonder and shows all. All those who listen to
It discover him like never before.

THE
Uptown girl
Beauty

The world touches and tarnishes everything within its confines on daily basis. Glad in your white
Saree, you offer resistance. Every blemish it tries to inflict by on you is rebuffed by your white.
You are the eternal symbol of purity.
