A woman is seated on a stone ledge in front of an ornate, multi-tiered archway. She is wearing a blue long-sleeved top with a gold patterned neckline, a red skirt with gold floral patterns, and a gold shawl. She is looking down and adjusting her shawl. The background shows a large, ornate building with many windows and arches, suggesting a palace or a historical site. The lighting is warm and golden, creating a soft glow around the woman and the archway.
