LABDHI
Underwear new chapter

The Modern Tradition
She combines the vintage of your past with the modern look of the future.
She will keep your future and then your present, captured by the
charm of her remarkable design. She is the Modern Tradition and she is
here to save your past!

The Modern Enchantress

Let's embrace the magic of tonight, for the prince will look at the queen
who will look back at him with a smile, and he will be the one to
be enchanted by her. Let's embrace the Modern Enchantress and she will
be the one to give you the magic.
