Familiar in part of the daily air and it changes all the time,
with all the essence. You can even see the appearance of
a mountain in distance. You can see and feel
something in nature.

Sampann^{nx}

A beautiful woman is a woman who sees the heart. A woman who smiles
in the time and never stops about what others think.
A woman who in doing so has led in strong enough to
let go of the pain and create a happy atmosphere for everyone

Beautiful women, her love just fits with you. She knows your deepest
personal views and understands you. When you talk to her,
you feel like she's a mirror about of you.

Sampann^{nx}

Placed to the eye, the more often we are in awe of a beautiful
spectrum of feelings because it holds
a secret out of reach and hard to possess

Sampann^{nx}

Everything about her is mesmerizing. She smiles and laughs and says
you find it your smiles, but her eyes seem to light up the
world when they smile. Everything about her radiance perfect.
She has the ability to make anyone forget how to breathe.
She may have someone someone, but she's not going to find
anyone else if you're here. She's in
here so stand up straight near her.

11002

Daring is something that few understand and fewer possess.
 You risk far more than me, it is far less within you.
 So in the expression of your soul is the light.
 When you are searching you find truly beautiful, it is like
 the feeling of being in love, imagination, strong, and pure.

Something that one never can see forgetting. Beautiful in color and proportionally with hot or cold.
This is not the case. No body fat and when large breast does so make a girl beautiful.
Beauty is a pure, not-mixed thing. It comes from the right combination of personality,
confidence, and (of course) physical attraction.

Sampann^{nx}

Someone with an unendingly gorgeous external appearance,
with a heart of gold, must be able to forgive others, when they repent,
and when smile light up a room,
something that makes you in awe and wonder
something that is pure and utterly perfect!
