Cotton is obtained from plants which help to make cotton sarees. This material is very comfortable in all the weather specially summer. Cotton sarees looks stunning and elegant look to all women. It symbolizes comfort, elegance and style. These are the everyday staple sarees of the working class of India. They are popular in all parts of India and worn from North to South. Even in Western India, cotton sarees are worn.

In India, the weather is very hot and humid. They are the best dress for the women here because of its open-ended design

Great VARIETY **sarees**

It displays great variety that can be worn everywhere. Instead of wearing western dresses that for the body, cotton saree are the best option. For summer, they are very skin friendly being airy and light.
