The Magazine Covergirl

The paparazzi follow her everywhere, all year. The cameras can't get enough of her glitz and glamour. Every magazine dreams of having her on their cover page. And in that column dress.

The Golden Chick

She is a woman of
taste, of grace and
with the promise of
the future. She is
the one who has
the power to make
the world a better
place. She is the
one who has the
power to make the
world a better place.
She is the one who
has the power to
make the world a
better place.
