A PICTURE OF POISE

Every photographer across the world is flummoxed. Cameras can only capture a fraction of her beauty. Because her charm is so all-encompassing, so magnificent, so profound, the most skilled photographers fail to do it. Most blame her dress, which is gorgeous in every respect. Which complements her beauty perfectly.

THE STAR

A mere glance at her, and the red carpet rolls out, looking sensational in her dress, the paparazzi follows her asking her questions—about her album, her career, and most importantly her dress. She greets them with a smile. The smile nothing, and yet everything. She is a star, and the world is in love with her.
