Style: is a way to say who you are without having to speak.

Volono Trendz

Fashion is the energy you absorb and the way you show it.

I truely believe that with the right footwear one can

rule the world.

ashion is very important. It is life-enhancing and,

like everything that gives pleasure, it is worth doing well.

Fashion is like eating, you shouldn't stick to the same menu.

You gotta have style. It helps you get down the stairs.
It helps you get up in the morning. It's a way of life.
Without it, you're nobody. I'm not talking
about lots of clothes.
