*Gorgeous* \* I look for three main qualities in a dress - how good it looks,  
fresh style and it wear any day everywhere

**BEYOND**  
*Beauty*

there is beauty in all things you just need to look close enough. style is a simple way of saying complicated things

◆ the beauty of a woman must be seen from in her eyes, because that is the doorway to her heart, the piece where love resides.

beauty is when you can appreciate yourself, when you love yourself that's when you're most beautiful
