

Vintage Vogue

Indian traditional fashion is becoming more mature and we are stepping into a big revolution of going back to the basics.
In India, for the older generation, it is not to go back to the old but to create, the only roots is our culture.
The Indian culture for western markets has grown extensively, and the few more to come will be a great success.

HOW DO YOU PERCEIVE PEOPLE'S DAILY LIVES? WHAT ARE YOUR FASHION WISDOMS THIS SEASON?

I find fashion provides us an opportunity to express our individuality in an elegant and sophisticated way. It is a way to express our personality to larger people. We don't have a ritual, we create individualism, but in the end, it is only bringing in harmony.

According to us, the coming year are going to be beauty with maturity. We are more in fashion, we are mature, and we are able to connect the dots in fashion.
