**Look young gracefully**

*An aged man is but a paltry thing, a tattered coat upon a stick, unless soul clip its hands and sing, and louder sing for every tatter in its mortal dress.*

### The new fragrance from glamour

fashion is quality- the difference between  
style and fashion is quality

Designers want me to  
dress like Spring,  
in billowing things.  
I don't feel like Spring,  
I feel like a warm Autumn.
