PANVI

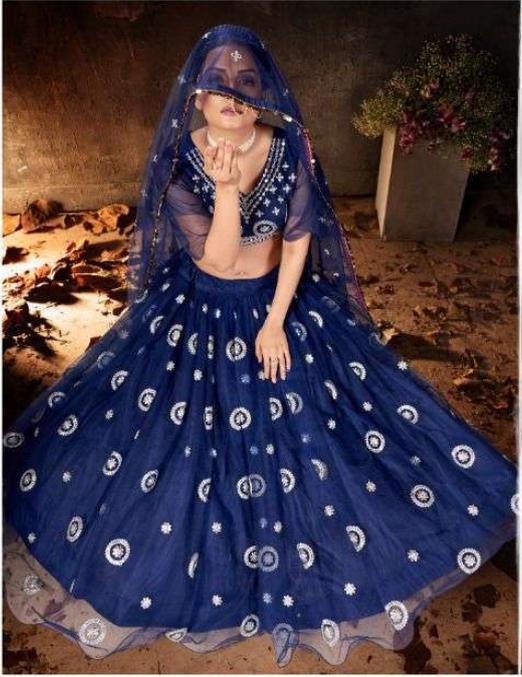

*I don't do fashion,  
I am Fashion*

*Grace has been the most traditional form of Indian attire worn more by our Indian  
Women. Grace is the fabric statement for Indian fashion.*

*Fashion changes, but style endures.*  
*Each garment, drawing from cultural heritage and a sophisticated blend  
of colors, is rooted in the essence of a nation,  
of changing times, today in a variety of garments, collections.*

*Fashion changes, but style endures.*  
Fashion is all ephemeral. It's a part of being who you are.  
Being kind, give your own style. Nothing is more beautiful than you.

PANVI

*The Perfect Harmony*  
*It's not a wedding, but it should be as you please. There is a certain elegance to please might not be as grand, but be simple.*
