The Queen

Time creates us not
just once. They are a
series of moments. A
series of a hundred years
and a moment, and your
moment. They are your
own moments, yours to
own. They are yours to
own and just as they
are yours to own, they
are yours to own.

Dream Come True

Those problems are not just pain. They are a doorway to perfection. A ticket to a land where you are loved, and your wishes there
about you were realized, growing in your hands. This is heaven, and you at last have the dream home of all the world.
