

A woman with long dark hair is shown in profile, looking down at a wheat stalk she is holding. She is wearing a light green, short-sleeved dress with a delicate floral pattern and gold jewelry, including a necklace, earrings, a ring, and a bracelet. The background is a warm, textured brown with faint floral motifs.

People are like stained - glass windows. They sparkle and shine when the sun is out,
but when the darkness sets in, their true beauty is revealed only if there is a
light from within I appreciate simplicity, true beauty that lasts over time, and a
little wit and eccentricism that make life more fun.
