When the world is weary and on the verge of retiring, is when she comes out to the world. The magnificent colors of her dresses drive away every bit of tanger from weary hearts. They come as sermons, and leave us richer than ever before with this blessed experience!

DIVINITY IN YOUR STRIDE

LOVE FOR PARCHED HEARTS

In the desert land, the sun rises supreme and hurls down upon with relentless fury. Not only does it scorch the life, but these desiccating conditions also mark the desert dry of her. Until her ingress that is. As she enters, she breathes love back into the land. Her smile is the exuberance of the sun over land.

SPRING GODDESS

They surround her as she trends the forest.
She gazes expectantly, and beams at them.
They bow in adoration, in eternal
adoration to the glory of eternal beauty. The
wind and leaves swirls away as she passes,
anticipating her perfect, serene and glowing
presence about her majestic aura.
