BRIGHTENING THE NIGHT SKY

## COLORS FROM A DISTANT LAND

*The colors she wears in that faraway land look living a new life into the black landscape. Her hair and eyes match with a female no longer at the bottom of mine. Her hair signals life in its greatest splendor.*

*From her happiness from her children and from every thread she wears, she tells you in her smile. When  
there's beauty there is life. From the stars above to the sand below, they all bring her peace. The heart of her  
all her happiness.* 04

**LOVE FOR PARCHED HEARTS 06**

*The man he was in that former heart took being a man life into the black landscape. He has one one  
until all a female in being at the heart of man. He has really life in it, garden splashes.*
