SARANYA
MIRROR WORK

It is quite understandable why famous designers tend to give regard to their imagination and create clothes that look interesting but are hardly suitable. They are created by individuals who ignore the public response to the creations, but this does not necessarily mean that they are unrelated to the fabric of the everyday life of lay people. Fashion and style are an interesting concept. A person's wardrobe is not a rare occurrence, but when the whole city suddenly falls in love with a certain color. The clothes stores abound in items of all shades and hues of this particular color.

Everyone tries to put on as much pieces of clothes of this very color as possible, without taking into the consideration the fact that various shades of this color do not really go together. What is crucial in their perceptions is matching along with the fashion. Accessories tend to be generally not so revolutionary. Until the recent times it was commonly accepted that the shoes and the purse should be matching.
