Fashion is a dream. It's difficult and there are many aspects of fashion that are very difficult, but if you have to live it, because I really have a passion, more for fashion, it's not easy, but nothing is easy in life.

Fashion is a dream, it's difficult and there are many aspects of dreams that are very difficult, but if you have it like I do, because I really believe, I always have for fashion it's just there and nothing of mine is to be.
